5. Discussion of the amendment to "Handling Procedures for Lending Funds to Other Parties" and "Procedures for Endorsement and Guarantee" (Proposed by the Board of Directors)

Explanation:

To meet actual needs, it is proposed to amend "Procedures for Lending Funds to Other Parties" and "Procedures for Endorsement and Guarantee". The comparison tables for "Handling Procedures for Lending Funds to Other Parties" and "Procedures for Endorsement and Guarantee" before and after amendment are attached hereto as Attachment 9,10(page 40-45).

Resolution:

Extraordinary Motions

Meeting Adjourned

2021 Business Report

The COVID-19 pandemic continues to pose a threat and the US-China trade war still rages in 2021; these all caused structural impacts on global politics, economies and societies. However, the transformation of industries and lifestyles under the pandemic brought strong demand for notebook computers, bicycles and pedelec bicycles (eBike), which increased both the company's revenue and profits. The company's consolidated revenue for 2021 was NTD \$28 billion, which increased by 26% compared to the same period the previous year. There was also significant growth in net profit after tax; the net profit after tax attributable to the shareholders of the parent company for the year was NTD \$1.15 billion, and the earnings per share after tax was \$4.09.

In terms of operation and sales, the demand for global notebook computers in the education, gaming and commercial fields increased even faced with unfavorable factors, including lack of components and increased shipping costs; the overall shipment of notebook computers still reached a historical high. Darfon's IT peripherals business is committed to grasping the urgent demand from commercial enterprise orders and consumer Chromebooks and increasing production efficiency; it focused on value customers and continually optimized the product portfolio to increase the profits and maintain the leading position in market shares. Darfon actively invested resources to enhance technological innovation, shorten product development schedules, and strengthen the core competitiveness of notebook and high-end desktop keyboard technologies while launching various high-quality gaming peripheral application products, becoming a top global manufacturer of input devices. The performance of Darfon's green energy business centers on the development of pedelec bicycles (eBike) grew rapidly under the development of strategic alliances. Its proportion of revenue contribution has exceeded 30%. With the joining of Astro Tech last year, the green energy business was able to fully grasp the four major core technologies for pedelec bicycles (eBike): electronics, batteries, frames and assembly. The integrated component business focused on deepening the improvement of technologies, developing niche products, and expanding diverse channels. The subsidiary company, Unictron Technologies Corp., which focuses on piezoelectric and antenna components, was successfully listed in the 4th quarter of 2021, successfully reaching an important milestone in the strategic layout of the component business.

In terms of management, faced with the restructuring of global supply chains and the changing of new business operation models, Darfon's global layout strategy now focuses on consolidating China, expanding Vietnam, strengthening Taiwan, deploying diverse manufacturing in Europe and developing local services. The emphasis is on regional complementarity, and supply chain management, exerting economies of scale by integrating platforms across businesses. In terms of human resources, in response to the new generation of talent management models, recruit efficiencies were strengthened to satisfy the group's talent needs, cultivate industry leaders for the group, and create valuable teams together. In addition, Darfon continues to develop through innovation and technology to maintain competitive advantages; an average of 3% of the turnover was invested each year in product innovation and technological R&D, and now Darfon has accumulated almost a thousand patents in different countries around the world.

Darfon adheres to the core concept of sustainable operation and environmental protection, social responsibility and corporate governance; it communicates and cooperates with stakeholders to create shared values. In 2021, Darfon won the 17th CSR Corporate Social Responsibility Award from Global Views Monthly, the Asia HR "HR Asia Best Companies to Work for in Asia" award, and the "WeCare Most Caring Companies Award", fully affirming the company's achievements in caring for employees and fulfilling corporate social responsibilities. The company will continue to implement energy-saving and carbon reduction green processes, care and bear the social responsibilities, and keep the corporate governance in pace with the times.

Even though there is no clear ending to the COVID-19 pandemic in 2022, the digital transformation and changes in lifestyles are now confirmed trends. Even though the overall economy's uncertainty still exists, Darfon will continue to strengthen its fundamentals and further expand the differentiation of its technologies and products. Integrate through consolidation to make the company bigger and better, and use strategic alliances and complementary advantages to show the synergy of the group's active deployment of IT and green energy industry in recent years, adding energy to the sustainable operation of the company.

Thank you to the shareholders for your long-term support and encouragement to the company; The management team and all employees will continue to put in all our efforts to maximize enefits for the shareholders and the company.

Independent Auditors' Report

To the Board of Directors Darfon Electronics Corp.:

Opinion

We have audited the consolidated financial statements of Darfon Electronics Corp. and its subsidiaries (the "Group"), which comprise the consolidated balance sheets as of December 31, 2021 and 2020, and the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2021 and 2020, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the International Financial Reporting Standards ("IFRSs"), International Accounting Standards ("IASs"), and interpretations developed by the International Financial Reporting Interpretations Committee ("IFRSs") or the former Standing Interpretations Committee ("SIC") endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. We conducted our audit in accordance with the Regulations Governing Auditing and Certification of Financial Statements by Certified Public Accountants and the auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the consolidated financial statements section of our report. We are independent of the Group in accordance with the Certified Public Accountants Code of Professional Ethics in Republic of China ("the Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significant in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matters for the Group's consolidated financial statements for the year ended December 31, 2021 are stated as follows:

1. Valuation of inventories

Please refer to note 4(h) for the accounting policies on measuring inventory, note 5(a) for uncertainty of accounting estimations and assumptions for inventory valuation, and note 6(f) for the disclosure of the amounts of inventory write-downs, of the consolidated financial statements.

Description of key audit matter:

Inventories are measured at the lower of cost and net realizable value. Darfon Electronics Corp. and its subsidiaries, an electronic industry, possess rapid innovation in the highly competitive market, therefore causing the product life cycle shorter and variation of the price faster. Due to the rapid innovation of technology, the Group's stocks for products may become obsolete and product price may decline rapidly. These factors result in a risk wherein the carrying amount of inventory may exceed its net realizable value. Particularly, the estimation of net realizable value requires the management's subjective judgments. Therefore, the valuation of inventories has been identified as one of the key audit matters.

How the matter was addressed in our audit:

In relation to the key audit matter above, our principal audit procedures included obtaining the inventory aging report provided by the Group, and analyzing the fluctuation of inventory aging; selecting samples to verify the accuracy of inventory aging classification; evaluating whether valuation of inventories was accounted for in accordance with the Group's accounting policies; and assessing the historical reasonableness of management's estimates of inventory provisions.

2. Business combination

Please refer to note 4(t) for the accounting policy on business combination, and note 6(h) for related disclosures of acquisition of subsidiaries, of the consolidated financial statements.

Description of key audit matter:

In 2021, the Group acquired 51.00% ownership of Astro Tech Co., Ltd., wherein the Group controls it. To adopt accounting treatment of business combination, the management needs to assess and determine the fair value of the identifiable assets and liabilities. As the assessment is complex and involves significant assumptions and estimation, it has been identified as one of the key audit matters.

How the matter was addressed in our audit:

In relation to the key audit matter above, our principal audit procedures included obtaining the purchase price allocation report with the valuation on intangible assets conducted by an external expert engaged by the management; and evaluating the acquired assets and liabilities identified by the management including any fair value adjustment at the acquisition date. In doing so, we have consulted internal valuation specialists to assist us in evaluating the reasonableness of the valuation model and key assumptions used. We have also assessed whether correct accounting treatment has been applied, and appropriate disclosures with respect to the acquisition has been made.

3. Impairment of goodwill

Please refer to note 4(n) for the accounting policies on impairment of non-financial assets, note 5(b) for the uncertainty of accounting estimations and assumptions for goodwill impairment, and 6(m) for related disclosures of impairment test of goodwill, of the consolidated financial statements.

Description of key audit matter:

Goodwill arising from the acquisition of subsidiaries is subject to an impairment test annually or when there are indications that goodwill may have been impaired. The assessment of the recoverable amount of goodwill from cash generating units involves management's judgment and estimation. Accordingly, the assessment of impairment of goodwill has been identified as one of the key audit matters.

How the matter was addressed in our audit:

In relation to the key audit matter above, our principal audit procedures included obtaining the assessment of impairment of goodwill provided by the management; assessing the appropriateness of the valuation model and key assumptions, including the discount rate, expected growth rate and future cash flow projections, used by the management in measuring the recoverable amount; performing a sensitivity analysis of key assumptions; and assessing the adequacy of the Group's disclosures with respect to the related information on goodwill impairment.

Other Matter

Darfon Electronics Corp. has additionally prepared its parent-company-only financial statements as of and for the years ended December 31, 2021 and 2020, on which we have issued an unmodified audit opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements inaccordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the IFRSs, IASs, IFRC, and SIC endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including members of the Audit Committee) are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the Group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2021 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Huei-Chen Chang and Wei-Ming Shih.

KPMG

Taipei, Taiwan (Republic of China)

March 8, 2022

Notice to Readers

The accompanying consolidated financial statements are intended only to present the statement of financial position, financial performance and cash flows in accordance with the accounting principles and practices generally accepted in the Republic of China and not those of any other jurisdictions. The standards, procedures and practices to audit such financial statements are those generally accepted and applied in the Republic of China.

The independent auditors' audit report and the accompanying consolidated financial statements are the English translation of the Chinese version prepared and used in the Republic of China. If there is any conflict between, or any difference in the interpretation of the English and Chinese language independent auditors' report and consolidated financial statements, the Chinese version shall prevail.

Independent Auditors Report

To the Board of Directors of Darfon Electronics Corp.:

Audit Opinion

We have audited the parent-company-only financial statements of Darfon Electronics Corp. (the "Company"), which comprise the balance sheets as of December 31, 2021 and 2020, and the statements of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the parent-company-only financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying parent-company-only financial statements present fairly, in all material respects, the financial position of the company as of December 31, 2021 and 2020, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for Opinion

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. We conducted our audit in accordance with the Regulations Governing Auditing and Certification of Financial Statements by Certified Public Accountants and the auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Parent Company Only Financial Statements section of our report. We are independent of the Company in accordance with the Certified Public Accountants Code of Professional Ethics in Republic of China ("the Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the parent company only financial statements of the current period. These matters were addressed in the context of our audit of the parent company only financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

1. Valuation of inventories:

Please refer to notes 4(g) for the accounting policies on measuring inventory, notes 5(a) for assumptions used and uncertainties considered in determining net realizable value, and notes 6(e) for the disclosure of the amounts of inventory write-downs, of the parent-company-only financial statements.

Description of key audit matter:

Inventories are measured at the lower of cost and net realizable value. Due to the rapid innovation of technology, the Company's stocks for products may become obsolete and product price may decline rapidly. Furthermore, the stocks for products may exceed customers' demands thus becoming obsolete. These factors result in a risk wherein the carrying amount of inventory may exceed its net realizable value. Particularly, the estimation of net realizable value requires the management's subjective judgments. Therefore, the valuation of inventories has been identified as one of the key audit matters.

How the matter was addressed in our audit:

In relation to the key audit matter above, our principal audit procedures included reviewing the inventory of aging report and analyzing the fluctuation of inventory aging; selecting samples to verify the accuracy of inventory aging; evaluating whether valuation of inventories was accounted for in accordance with the Company's accounting policies; and assessing the historical reasonableness of management's estimates of inventory provisions.

2. Investment in the subsidiaries

Please refer to notes 4(i) and 6(f) for the accounting policy on business combination, and "Investment in the subsidiaries' for the related disclosure, respectively, of the notes to the parent-company-only financial statements.

Description of key audit matter:

In 2021 the Company acquired 51.00% ownership of Astro Tech Co., Ltd.(ATC), wherein the Company is able to exercise control over it. To adopt the accounting treatment of business combination, the management needs to determine the fair value of the identifiable assets and liabilities. The assessment is complex and involves significant assumptions and estimation. Accordingly, investment in the subsidiaries has been identified as one of the key audit matters.

How the matter was addressed in our audit:

In relation to the key audit matter above, our principal audit procedures included obtaining the purchase price allocation report with valuation on intangible assets conducted by an external expert engaged by the management; and evaluating the acquired assets and liabilities identified by the management including any fair value adjustment at the acquisition date. In doing so, we have consulted internal valuation specialists to assist in evaluating the reasonableness of the valuation model and key assumptions used. We have also assessed whether correct accounting treatment has been applied, and appropriate disclosures with respect to the acquisition has been made.

3. Impairment of goodwill included in the carrying amount of investment in the subsidiaries

Please refer to notes 4(m) for the accounting policy on impairment of non-financial assets, notes 5(b) for the estimation uncertainty of impairment of goodwill, and 6(f) for related disclosures of impairment test of goodwill, of the parent-company-only financial statements.

Description of key audit matter:

Goodwill arising from acquisition of subsidiaries, which are included in the carrying amount of investments accounted for using equity method. Goodwill is annually subject to impairment test or when there are indications that goodwill may have been impaired. The assessment of the recoverable amount of goodwill from cash generating units involves management's judgment and estimation. Accordingly, the assessment of impairment of goodwill has been identified as one of the key audit matters.

How the matter was addressed in our audit:

In relation to the key audit matter above, our principal audit procedures included obtaining the assessment of impairment of goodwill provided by the management; assessing the appropriateness of the valuation model and key assumptions, including the discount rate, expected growth rate and future cash flow projections, used by the management in measuring the recoverable amount; performing a sensitivity analysis of key assumptions; and assessing the adequacy of the Company's disclosures with respect to the related information on goodwill impairment.

Responsibilities of Management and Those Charged with Governance for the Parent-Company-Only Financial Statements

Management is responsible for the preparation and fair presentation of the parent-company-only financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and for such internal control as management determines is necessary to enable the preparation of parent-company-only financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the parent-company-only financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including members of the Audit Committee) are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Parent-Company-Only Financial Statements

Our objectives are to obtain reasonable assurance about whether the parent-company-only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these parent-company-only financial statements.

As part of an audit in accordance with auditing standards generally accepted in the Republic of China, we exercised professional judgment and maintain professional skepticism throughout the audit. We also:

- 1. Identified and assessed the risks of material misstatement of the parent-company-only financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtained an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Concluded on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the parent-company-only financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- 5. Evaluated the overall presentation, structure and content of the parent-company-only financial statements, including the disclosures, and whether the parent-company-only financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtained sufficient appropriate audit evidence regarding the financial information of the investment in other entities accounted for using the equity method to express an opinion on the parent-company-only financial statements. We are responsible for the direction, supervision and performance of the audit. We remained solely responsible for our audit opinion.

We communicated with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identified during our audit opinion.

We also provided those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determined those matters that were of most significance in the audit of the parent-company-only financial statements for the year ended December 31, 2021 and are therefore the key audit matters. We described these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determined that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Huei-Chen Chang and Wei-Ming Shih.

KPMG

Taipei, Taiwan (Republic of China) March 8, 2022

Notice to Readers

The accompanying parent company only financial statements are intended only to present the financial position, financial performance, and cash flows in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers. The standards, procedures and practices to audit such parent company only financial statements are those generally accepted and applied in the Republic of China.

The independent auditors' report and the accompanying parent company only financial statements are the English translation of the Chinese version prepared and used in the Republic of China. If there is any conflict between, or any difference in the interpretation of the English version and Chinese version, the Chinese-language independent auditors' report and parent company only financial statements shall prevail.

Cash Flows (Continued)

For the years ended December 31, 2021 and 2020

(Expressed in Thousands of New Taiwan Dollars)

	2021	2020
Cash flows from investing activities:		
Purchase of financial assets at amortized cost	(96,985)	-
Proceeds from redemption of financial assets at amortized cost	-	224,857
Purchase of investments accounted for using equity method	(1,675,330)	(494,561)
Disposal of investments accounted for using equity method	9,800	70,696
Proceed from capital reduction of equity-accounted investees	120,249	827,382
Additions to property, plant and equipment (including prepayments for equipment)	(454,247)	(467,415)
Proceeds from disposal of property, plant and equipment	1,543	1,178
Decrease in refundable deposits	403	122,495
Disposal of intangible assets	-	28,062
Increase in other non-current assets	-	(176,897)
Dividends received	189,373	107,490
Net cash flows provided by (used in) investing activities	(1,905,194)	243,287
Cash flows from financing activities:		
Increase (decrease) in short-term borrowings	682,548	(460,000)
Increase in short-term notes and bills payable	-	439,732
Decrease in short-term notes and bills payable	(439,721)	(200,000)
Increase in long-term debt	2,020,000	1,040,000

F401021	Controlled Telecommunications Radio-Frequency Devices and Materials Import
CC01030	Electrical Appliances and Audiovisual Electronic Products Manufacturing
F113020	Wholesale of Electrical Appliances
IG03010	Energy Technical Services
D101060	self-usage power generation equipment utilizing renewable energy industry
ZZ99999	All business items that are not prohibited or restricted by law, except those that are subject to special
	approval.

Article 3 The Company may provide guarantees or endorsements on behalf of third parties due to business or investment relationships with such third parties.

Article 4 The total amount of the Company's investment is not subject to the restriction of Article 13 of the Company Act.

Article 5 The head office of the Company shall be in Taoyuan, Taiwan, the Republic of China ("R.O.C."). Subject to the approval of the Board and other relevant authorities, the Company may, if necessary, set up branches or business offices at other appropriate place.

Article 6 The company's announcement method is in accordance with the provisions of Article 28 of the Company Act.

Chapter 2: Shares

Article 7 The company's total capital is rated at NT \$ 4.5 billion, divided into 450 million shares at NT \$ 10 per share.

The council decided to issue in batches. 15 million shares are reserved in the aforementioned total shares as shares for issuing employee stock option certificates. The company may issue employee stock options at a stock price lower than the market price, or less than the actual share repurchase, with the consent of the shareholders' meeting representing more than half of the total number of issued shares and the presence of more than two-thirds of the shareholders' voting rights Average price transferred to employees.

Article 7-1 Employees of parent company or subsidiary meeting certain specific requirements are included to be entitled to receive treasury stock purchased by the Company. Employees of parent company or subsidiary meeting certain specific requirements are included to be entitled to receive share subscription warrant of the Company. Employees of parent company or subsidiary meeting certain specific requirements are included to be entitled to receive new shares issued by the Company. Employees of parent company or subsidiary meeting certain specific requirements are included to be entitled to receive restricted stock.

Article 8 The share certificates of the Company shall be all in registered form. The share certificates shall be affixed with the signatures or personal seals of the director representing the company, and shall be duly certified or authenticated by the bank which is competent to certify shares under the laws before issuance.

The Company may, pursuant to the applicable laws and regulations, deliver shares or other securities in book-entry form, instead of delivering physical certificates evidencing shares or other securities.

Article 9 The name change and transfer of the company's stocks shall cease within 60 days before the shareholders' general meeting, within 30 days before the shareholders' temporary meeting or within 5 days before the company's decision to distribute dividends and dividends or other benefits.

Chapter 3: Shareholders' Meetings

Article 10 Shareholders' meetings shall be of two types, ordinary meetings and extraordinary meetings. Ordinary meetings shall be convened annually by the Board within six months of the end of each fiscal year. Extraordinary meetings shall be convened in accordance with the relevant laws, whenever necessary.

Article 11 Unless otherwise provided in applicable law and regulations, a resolution shall be adopted at a meeting attended by the shareholders holding and representing a majority of the total issued and outstanding shares and at which meeting a majority of the attending shareholders shall vote in favor of the resolution. In case a shareholder is unable to attend a shareholders' meeting, such shareholder may issue a proxy in the form issued by the Company, setting forth the scope of authorization by signing and affixing such shareholder's seal on the proxy form for the representative to be present on such shareholder's behalf.

Except for trust enterprises or other stock transfer agencies approved by the securities authorities, if a person is designated as proxy by more than two shareholders, any of such person's voting rights representing in excess of 3% of the total issued and outstanding shares shall not be considered. The relevant matters related to the use and rescission of the proxy shall be conducted in accordance with the Company Act and applicable rules.

Chapter 4 Directors and Audit Committees

Article 12 Directors shall be elected from a slate of director candidates, which are nominated under the Candidate Nomination System, at shareholders' meetings. The independent directors are selected by the shareholders' meeting on the list of independent director candidates. The professional qualifications, shareholding, part-time restrictions, nomination and selection methods of the independent directors and other matters to be complied with shall be handled in accordance with relevant laws. The voting rights of shareholders shall have one voting right per share, unless otherwise provided by laws and regulations.

Article 12-1 The Company may take out liability insurance for the directors with respect to the liabilities resulting from exercising their duties during their terms of office. The Board is authorized to determine the compensation for the directors, taking into account the extent and value of the services provided for the Company's operation and with reference to the standards of local and overseas industry.

Article 13 The Company shall have seven to nine directors. Within the entire Board, the Company shall have at least three independent directors on the Board. The shareholders' meeting shall elect the directors from among the nominees listed in the roster of director candidates. The term of office for all directors shall be three (3) years. The directors are eligible for re-election. The total shares held by the entire body of either directors shall not be less than a specified percentage in

accordance with the regulation prescribed by the Competent Authority.

- Article 13-1 The Company shall set up the Audit Committee organized by all of the independent directors in accordance with the Securities and Exchange Act. The composition of the audit committee, duties, rules of meeting procedure and other compliance matters shall comply with the regulations prescribed by the securities supervisory authorities.
- Article 14 The Board of Directors is organized by directors. The Chairman of the Board of Directors shall be elected from among the attending directors by a majority vote and with the attendance over two thirds of the seats in a meeting of the Board of Directors. As necessary, a Vice Chairman may be elected among the attending directors in the same manner. The Chairman of the Board shall externally have the authority to represent the Company.
- Article 15 Where a director is unable to attend a meeting of the Board, he may appoint another director to represent him by proxy in accordance with Article 208 of the Company Act. Each director may act as a proxy for one other director only.

 The meeting of the Board of Directors shall be convened in accordance with the Company Act. In calling a meeting of the Board of Directors, a notice may be given to each director by means of electronic mail or facsimile.

Chapter 5 Managerial Officer

Article 16 The Company may appoint a multiple number of managerial officers whose appointment, dismissal and compensations shall be conducted in accordance with the Company Act.

Chapter 6 Accounting

Article 19

- Article 17 The company's fiscal year is from January 1 to December 31 of the same year.
- Article 18 After the end of each fiscal year, the Board shall prepare and submit the following documents: (1) business report, (2) financial statements, (3) proposal for allocation of earnings or recovery of loss, which shall be submitted to the audit committee for verification 30 days before the shareholders 'meeting. The audit committee issued a report to the shareholders' general meeting for approval.
- profit to recover losses for preceding years, and then set aside 5%-20% of the remaining profit for distribution to employees as remuneration and no more than 1% of the remaining profit for distribution to directors as remuneration. The Company may allocate employee's remuneration prescribed in the preceding paragraph in the form of stock or cash to employees of parent company or subsidiary meeting certain conditions. The Board or the person duly designated by the Board is authorized to decide the conditions and allocation method. The distribution of earnings in the preceding paragraph is distributed in the form of cash, the distribution may be approved by the Board of Directors and reported to the shareholders' meeting.
- Article 19-1 Where the Company has a profit at the end of each fiscal year, the Company shall first allocate the profit to pay taxes and cover accumulated losses, and then 10% of the

remaining net earnings shall be allocated as the Company's legal reserve and certain amount shall be further allocated as special reserve or the special reserve shall be reversed in accordance with applicable laws and regulation. The balance (if any) together with accumulated unappropriated retained earnings can be distributed after the distribution plan proposed by the Board and approved by the shareholders' meeting.

Where the Company has a profit before tax for each fiscal year, the Company shall first reserve certain amount of the

When the legal reserve and capital surplus are to be distributed in cash, the distribution may be approved by the Board of Directors in accordance with the Company Act and reported to the shareholders' meeting.

The Company may distribute new shares or cash by way of legal reserve or capital reserve in accordance with Article 241 of the Company Act. Where the means of cash is performed in the preceding paragraph, it is proposed the Board of Directors be authorized for resolution. The resolution thereof shall be reported in the Shareholders' Meeting.

Article 20 The Company is in a technology-intensive and capital-intensive technology industry at a developing stage coordinating with long-term capital planning and taking into account the shareholders' cash flow requirement, the Company's dividend policy is to pay dividends from surplus considering factors to improve the growth and sustainable operation of the

Company. If there is distributable net profit more than 2% of the paid-in capital, the ratio for cash dividends shall not be less than 10% of total distribution. If it is less than 2%, the Company might not distribute dividends

Chapter 7: Supplementary Articles

Article 21 With respect to the matters not provided herein, the Company Act and other applicable laws and regulations shall govern.

Article 22 These Articles of Incorporation were enacted by the incorporators in the incorporators meeting held on April 30, 1997 and were effectively approved by the competent authority.

The first amendment was made on March 4, 1998.

The second amendment was made on April 29, 1999.

The third amendment was made on June 14, 1999.

The fourth amendment was made on March 29, 2000.

The fifth amendment was made on October 11, 2000.

The sixth amendment was made on March 8, 2001.

The seventh amendment was made on April 10, 2001.

The eighth amendment was made on April 19,2002

The ninth amendment was made on May 8, 2003.

The tenth amendment was made on April 27, 2005.

The eleventh amendment was made on May 11, 2006.

The twelfth amendment was made on October 2, 2006.

The thirteenth amendment was made on May 15, 2007.

The fourteenth amendment was made on May 27, 2008.

The fifteenth amendment was made on June 10, 2009.

The sixteenth amendment was made on June 9, 2010.

The seventeen amendment was made on June 15, 2011.

The eighteenth amendment was made on June 21, 2012. The nineteenth amendment was made on June 24, 2015.

The twentieth amendment was made on June 17, 2016.

The twenty-first amendment was made on June 13, 2019.

The twenty-second amendment was made on June 18, 2020.

Rules and Procedures for Shareholders' Meeting

- 1. The Rules and Procedures for Shareholders' Meeting are enacted in accordance with the "Rules Governing the Conduct of Shareholders' meetings by Public Companies" promulgated by the Securities and Futures Commission, Ministry of Finance, (86) Tai-Tsai- Zheng (3) No.04109.
- 2. Shareholders or their proxies attending the shareholders' meeting (the "Meeting") shall submit the attendance card for the purpose of signing in. The number of shares represented by shareholders or their proxies attending the Meeting shall be calculated in accordance with the attendance cards submitted by the shareholders or their proxies plus the number of shares exercised by correspondence or electronic means.
- 3. The quorum required for the Meeting and the votes cast by the shareholders shall be calculated in accordance with the number of shares representing by shareholders attending the Meeting.
- 4. The Meeting shall be held at the head office of the Company or at any other appropriate place that is convenient for the shareholders to attend. The time to start the Meeting shall not be earlier than 9:00 a.m. or later than 3:00 p.m.
- 5. The chairman of the Board of Directors shall be the chair presiding at the Meeting in the case that the Meeting is convened by the Board of Directors. In case the chairman of the Board of Directors is on leave or cannot exercise his power and authority for any reason, the vice chair shall act on behalf of the chair. In case the Company has no vice chairman, or the vice chairman is also on leave or unable to exercise his and authority for any reason, the chairman of the Board of Directors shall designate one of the directors to act on behalf of the chair. If the chairman does not make such designation, the directors shall elect from and among themselves an acting chair of the Board of Directors. If the Meeting is convened by the person other than the Board of Directors who is permitted to convene such Meeting, such person shall be the chair presiding the Meeting.
- 6. The Company may appoint designated counsel, Certified Public Accountant or other related persons to attend the Meeting.
- 7. The process of the Meeting shall be tape-recorded or videotaped and these tapes or videos shall be preserved for at least one year.
- 8. Chair shall call the Meeting to order at the time scheduled for the meeting. If the number of shares represented by the shareholders present at the Meeting has not yet constituted the quorum at the time scheduled for the Meeting, the chair may postpone the time for the Meeting. The postponements shall be limited to two times at the most and Meeting shall not be postponed for longer than one hour in the aggregate. If after two postponements no quorum can yet be constituted but the shareholders present at the Meeting represent more than one-third of the total outstanding shares of the Company, tentative resolutions may be made in accordance with Paragraph 1, Article 175 of the Company Act of the Republic of China. If during the process of the Meeting the number of shares represented by the shareholders present becomes sufficient to constitute the quorum, the chair may submit the tentative resolutions to the Meeting for approval in accordance with Article 174 of the Company Act of the Republic of China.
- 9. The agenda of the Meeting shall be set by the Board of Directors, if the Meeting is convened by the Board of Directors. The Meeting shall proceed in accordance with the agenda unless otherwise resolved at the Meeting. During the Meeting, the chair may, at his/her discretion, set time for intermission. Unless otherwise resolved at the Meeting, the chair cannot announce adjournment of the Meeting before all the discussion items listed in the agenda are resolved. The shareholders cannot designated any other person as chair and continue the Meeting in the same or other place after the Meeting is adjourned.

- 10. When a shareholder present at the Meeting wishes to speak, a speech note should be filled out with summary of the speech, the shareholder's number, and the name of the shareholder. The sequence of speeches by shareholders should be decided by the chair. If any shareholder presenting the Meeting submits a speech note but does not speak, no speech should be deemed to have been made by such shareholder. In case the contents of the speech of a shareholder are inconsistent with the contents of the speech note, the contents of actual speech shall prevail. Unless otherwise permitted by the chair and the shareholder in speaking, no shareholder shall interrupt the speeches of the other shareholder, otherwise the chair shall stop such interruption.
- 11. Unless otherwise permitted by the chair, each shareholder shall not, for each discussion item, speak more than two times or longer than 5 minutes each time. In case the speech of any shareholder violates this provision or exceeds the scope of the discussion item, the chair may stop the speech of such shareholder.
- 12. Any legal entity designated as proxy by a shareholder(s) to be present at the Meeting may appoint only one representative to attend the Meeting. If a legal entity is a shareholder and designates two or more representatives to attend the Meeting, only one representative can speak for each discussion item.
- 13. After the speech of a shareholder, the chair may respond him/herself or appoint an appropriate person to respond.
- 14. The chair may announce to end the discussion of any discussion item and go into voting if the chair deems it appropriate.
- 15. The person(s) to monitor and the person(s) to count the ballots shall be appointed by the chair. The person(s) monitoring the ballots shall be a shareholder(s). The result of voting shall be announced at the Meeting and recorded in the minutes of the Meeting.
- 16. Except otherwise provided in the Company Act of the Republic of China or the Articles of Incorporation of the Company, a resolution shall be adopted by a majority of the votes represented by the shareholders present at the Meeting. The resolution shall be deemed adopted and shall have the same effect as if it was voted by casting ballots if no objection is voiced after solicitation by the chair.
- 17. If there is amendment to or substitute for a discussion item, the chair shall decide the sequence of voting for such discussion item, the amendment or the substitute. If any of them has been adopted, the other shall be deemed vetoed and no further voting is necessary.
- 19. In case of incident due to force majeure, the chair may rule the meeting temporarily suspended and announce a time when, in view of the circumstances, the meeting will be resumed.
- 18. The chair may require or supervise the disciplinary officers or the security guards to assist in keeping order of the Meeting place. Such disciplinary officers or security guards shall wear badges marked "Disciplinary Officer" for identification purpose.
- 20. Any matter not provided in the Rules and Procedures shall be handled in accordance with the Company Act of Republic of China and the Articles of Incorporation of the Company.
- 21. The Rules and Procedures shall become effective from the date on which the Rules and Procedures are approved by the Meeting. The same shall apply to amendments to the Rules and Procedures.
